BRANDS AND PRODUCTS

Ace Global Logistics are world leading suppliers of a whole range of high service and maintenance products. Below is a list of a few:

Abrasives & Engineering Materials
Adhesives, Sealants & Tapes
Automation & Control Gear
Batteries
Cables & Wires
Computing & Peripherals
Connectors
Enclosures, Storage & Material Handling

Facilities Cleaning & Maintenance
Fasteners & Fixings
Fuses, Sockets & Circuit Breakers
HVAC, Fans & Thermal Management Lighting
Office Supplies- Computers Passive Components PCB Prototyping

Plumbing & Pipeline
Pneumatics, Hydraulics & Power
Transmission Power Supplies &
Transformers Relays Safety, Security,
ESD Control & Clean Room
Semiconductors Switches Test &
Measurement Air Power and Hand Tools

Our products are sourced from over 2,500 leading manufactures and suppliers from North and South America, Europe, Australia and Asia are of the highest quality and affordable prices. We offer excellent prices for the following brand names to name a few;

We cater for any item large or small, with our excellent lead time, we ensure your products are delivered on time for continuing your organisation's operations.
